Chapter 6 (Set II)

Work Around Us

Doctor:-

A doctor treats the sick or injured person and save our lives from danger. He gives us medicine or operates a patient according to the emergency.

In the present situation, when the whole world is suffering from the terrible attack of Corona Virus all the doctors, nurses and health professionals are working day and night to serve people, even risking their lives. We all convey our respect to them.

Police Officer:-

The policemen maintain the law and order of the country. They prevent crime by arresting the criminals. The traffic policemen work on the road to maintain the traffic.

Policemen in our country and all over the world are working hard to maintain the lock down situation, leaving their own families at home to save us from the pandemic Corona.

Fire-fighters:-

Fire-fighters extinguish fire when it breaks out in large areas or buildings. They save our lives from fire.

#168489525

Sweeper:-

A sweeper keeps our locality clean from dirt and garbage. Without their hard work our surroundings will be dirty, filthy and unhygienic.

Home Assessment:-

- A. Make a list of community helpers other than the given examples.
