NOTICE ISC ADMISSION

Students who are taking admission in Class – XI (Arts, Science & Commerce Streams) are asked to come to school office after depositing Admission Fees in Bank. Until the students come to us and inform us about their deposit of Admission Fees, we are not able to understand who took admission in which stream. It is necessary for the students to fill up the Admission Form and mention the subjects of their choices. We can't enlist the names in Admission Register unless the students come to school and inform us about their Bank deposits. From Bank statement it is impossible to make out who deposited money for what purpose. So, again I am saying to the new students of ISC 2020 to come to school office immediately after depositing admission fee in Bank.
